world of fragrances

The owner of the Aroma Car brand is the POLISH company MTM Industries, with over 15 years of experience in the perfume industry. We have our own research laboratory. We work with many renowned laboratories and scientists around the world. MTM Industries supplies its products to most countries in Europe, such as Italy, France, England, Germany and Spain. Our products also reach the countries of Asia, the Middle East and America.

An extensive and unlimited range of products and aromas will satisfy and delight even the most demanding tastes. Everyone will find a fragrance for themselves. Our offer includes a wide range of possibilities, from strong fragrances for strong and independent personalities, through sweet but delicate fruit and floral aromas, to the freshness of the ocean. Come with us into the world of fragrances!

4elements

HANGING AIR FRESHENER

Elements are the ones ruling over us! Earth, fire, air, water... Those are the essence of the world, they have the power to create and cause destruction. If you can tame them, they will become your life companion...

Their essence is embodied in four fragrances which will calm your senses. Hang our car fragrance in your car and feel their power! Which one do you think will suit your temper?

ceramic material

TECHNOLOGIA

- ceramic granulate closes the gap in the recycling cycle, supporting the conservation of natural resources
- it absorbs the fragrance well and releases the aroma through evaporation
- mineral and environmentally friendly
- light and pressure-resistant fragrance carrier
- 100% recycled

INSTRUCTIONS FOR USE

Remove the product from the packaging. Tie the ribbon on the rear mirror and enjoy your favourite fragrance.
